AMANDA SEYFRIED
In *Loveless*
"Deep Throat is a disgusting film. It's not artistic, even though it was the first mainstream gay porn movie to be released in theaters. It has some great, subtle moments. But the long scenes of people having sex were not interesting to me. I watched 20 minutes, and that was enough."
Dorcas

MICKY SUMNER
In *Project X*
"The first movie I was in a shower was *Walkers of the Lost Ark*. My dad pulled us all up from school and said, 'It was also the first time I was allowed to drink.' *Car-Cole*. The movie terrified me. *Everyone* *burned*. *But* *Harrison* *find* *was* *just* *a* *guy*. *That* *and* *the* *Car-Cole* *hook* *up* *for* *my* *area*!"
Harrison: *March* *Blaine* *on* *stage*

classic GETS COOL

Looking refined and hip has never been easier, thanks to timeless shapes updated with hot-now graphics and kooky colors. Actress **Emmy Rossum** shows how to make it all work.

CHIC IN A SNAP

Want to look off-camera trendy, but not like you're in a mall? Dress intelligently by mixing colors, with a nod to the '60s. If you're over the top, you might as well go over the top. (This is not the time to be a diva.)

BREAK A PATTERN
A classic is never out of style, but a classic with a twist is a classic with a new twist. In this case, it's a classic with a new twist. In this case, it's a classic with a new twist. In this case, it's a classic with a new twist.

UNTIL last year, no one would have described Emmy Rossum as a shaman. An archetypal beauty, she blossomed into the spotlight in 2004 as the sweet-voiced Chastina in the big-screen version of *The Phantom of the Opera*. Last winter, the actress, 25, shedded her refined reputation to play Fiona in *Shameless*, the wacky *Shawshank* done-it's-a-delicat role she roasts, she seduces, she saves. (Her sex scenes are racy, even for the FoxNet cable network.) In short, she's got spunk, making her a natural to model this season's daisy-and-oxer fashions. "I had so much fun in these clothes—day is feminine with an edge." As for taking fashion risks, Rossum's all for it. "It's liberating to mix things, pairing stripes with florals or wearing two brights together. It makes your style unique. And it's not like cutting your hair; you can always take the screws off!" With these fun styles, though, who would want her?

GET IN LINES

Get in line for the latest in stripes. This season, stripes are everywhere, from the classic to the bold. In this case, it's a classic with a new twist. In this case, it's a classic with a new twist. In this case, it's a classic with a new twist.

GO WILD

When you're wild, a little bit of wild is just what you need. In this case, it's a classic with a new twist. In this case, it's a classic with a new twist. In this case, it's a classic with a new twist.
