**AMANDA SEYFRIED**  
In *Locusts*  
"Deep Throat is a disgusting film. It's not artistic, even though it was the first breast-weight porn movie to be released in theaters. I don't have a pin, which is funny. But the long scenes of people having sex were not interesting to me. I watched 20 minutes, and that was enough."  
Dorothy

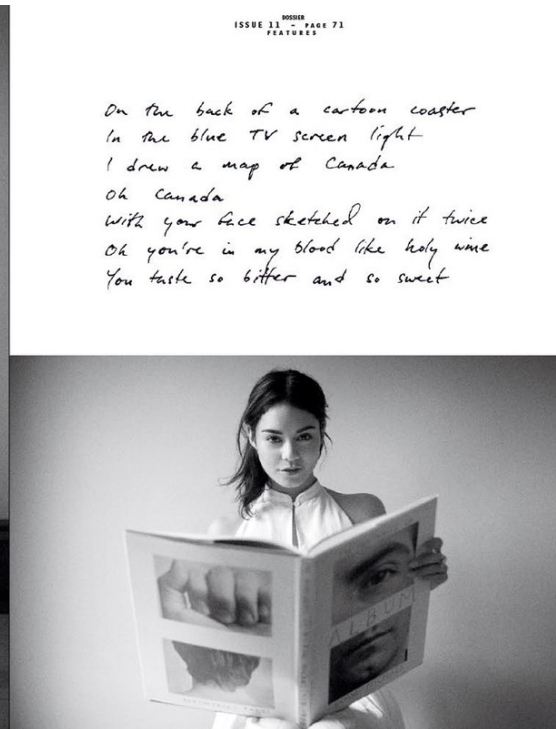

**MICKY SUMNER**  
In *Private 88*  
"The first movie I was in a shower was *Walkers of the Lone Wolf*. My dad pulled us all up from school and took us. It was also the first time I was allowed to drink. Cool. The movie terrified me. I became jittery. But *Harrison Ford* was just so gorgeous. That and the *Gun-Cake* took up for my nerve."  
Max (the owner of the studio),  
Mickey (Sumner) (on set)
