Introducing the Greatest Skin Care Discovery

One Drop Wonderful.

ONE DROP WONDER
POMPERA OIL BOOSTER

This little bottle contains only one ingredient. It is so beneficial to your skin we could fill dozens of pages, as many scientists have, outlining its benefits. Since we only have this page, here is our One Drop Wonder in a nutshell (the farmer's nickname for the fruit that produces it): One Drop Wonder is Pomfera Oil™ cold pressed extracted from the Osage Orange fruit seed. It is full of super antioxidants, rich in Omega-6, and UV protectors. It repairs damaged and aged skin cells and helps heal many common skin issues, including rosacea. Used daily, this oil will reverse damage to your skin, restore moisture, and give you a gorgeous, healthy glow. It absorbs immediately and will bring with it beneficial ingredients from other Limelight products. Used alone, or better yet as a booster, this incredible oil produces immediate and truly impressive results.
