CLAIROL
PROFESSIONAL®

GOLDEN GLOW

Airess normally lightens her hair with permanent color. She wants to maintain a lighter color, but she doesn't have time to touch it up every 4 weeks. She wants a simple solution to help extend the time in between full color touch-ups without compromising her hair. Advanced Gray Solution 6N, Rich Hazelnut, can be used every 2 weeks to refresh her color and boost the shine.

CLAIROL
PROFESSIONAL®

Adriana loves her naturally dark brown hair and wants to spice it up with warm, golden tones. This technique will add face-framing highlights and an all-over dimensional color.
