**CLAIROL**  
PROFESSIONAL®

**GOLDEN GLOW**  
Aireess normally lightens her hair with permanent color. She wants to maintain a lighter color, but she doesn't have time to touch it up every 4 weeks. She wants a simple solution to help extend the time in between full color touch-ups without compromising her hair. Advanced Gray Solution 6N, Rich Hazelnut, can be used every 2 weeks to refresh her color and boost the shine.
