### TIME AFTER TIME THIRTY

Let's get one thing straight, diamonds are a girl's best friend, at Tiffany's The Landmark. However, they're so much more than just that. They're the grand, multifaceted, 20-piece diamond necklace that inspired the Landmark girls' collection with other iconic modern design and innovative shapes. Because, at Tiffany's and The Landmark, it's all about the old-school glamour to be expected. Note the Fifty Diamond necklace, with a whopping 0.54-carat setting of diamond.

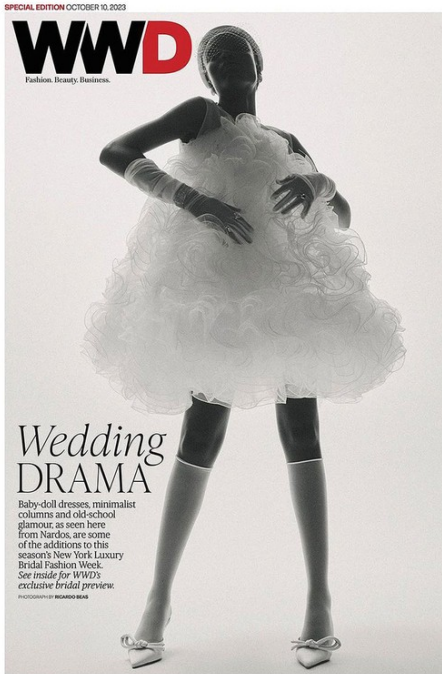

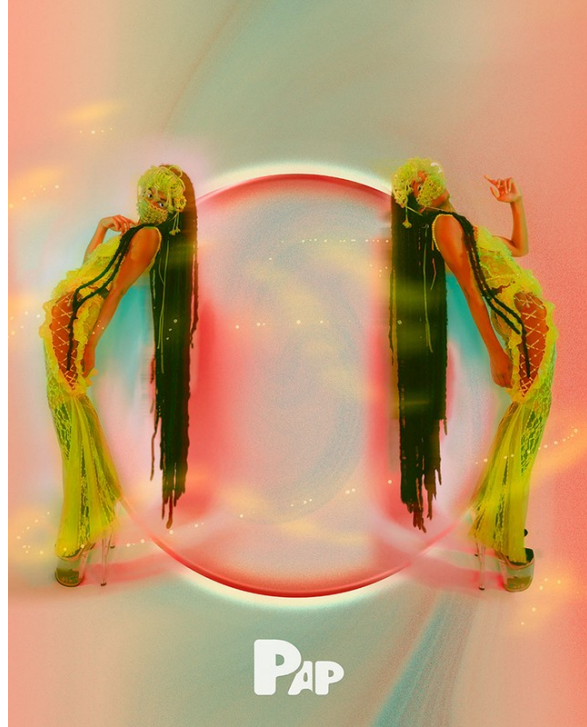

It's a world of a stone speaks to all the generations out there. We know you're going for a slice. When you can't exactly take a chunk out of this beauty, you can receive the Fifty Diamond, a line of reimagined diamonds launched to celebrate the centennial of The Landmark. Landmark diamonds combined with sophistication, leading to a unique and elegant design. The diamonds of the renowned rock. Glittering in their icy brilliance, one of these vintage magnificent jewelry that diamonds desire. JOHN RIPP
