La moda vuelve a revalidarse como el más extraordinario *instrumento de pasión*. Esta temporada lo hace rindiéndose a los volúmenes abullonados y soberbios, a los tejidos suntuosos y a accesorios con plumas y pedrería. Un *singular universo* que BELLA HADID interpreta para Vogue.

**UN MUNDO  
DE FANTASIA**

### plugged-in pout

Electric lips are as essential as flip-flops during the summer. This season, it's all about fuchsia (like Revlon Ultra HD Lipstick in HD Azalea, \$9) and tangerine (try L'Oréal Paris Infallible Le Rouge in Always Apricot, \$10). Play with texture by swiping color with clear gloss for a juicy effect (on Cipriana) or tapping on translucent powder for a matte finish (on TK).

### golden eye

Strike it rich with a winged-out eye—wear it traditionally against top lashes (like TK does) or get all trendy along lower lids (check out Cipriana's look). Either way, layer a liquid formula (like Make Up For Ever Aqua Liner in Diamond Gold, \$23) over a pencil version (try Stila Smudge Stick Waterproof Eyeliner in Gilded, \$22) for staying power.
