La moda vuelve a revalidarse como el más extraordinario *instrumento de pasión*. Esta temporada lo hace rindiéndose a los volúmenes abullonados y soberbios, a los tejidos suntuosos y a accesorios con plumas y pedrería. Un *singular universo* que BELLA HADID interpreta para Vogue.

UN MUNDO
DE FANTASIA

plugged in pout

Electric lips are as essential as flip-flops during the summer. This season, it's all about fuchsia (like Revlon Ultra HD Lipstick in HD Azalea, \$9) and tangerine (try L'Oréal Paris Infallible Le Rouge in Always Apricot, \$10). Play with texture by swiping color with clear gloss for a juicy effect (on Cipriana) or tapping on translucent powder for a matte finish (on TK).

golden eye

Strike it rich with a winged-out eye—wear it traditionally against top lashes (like TK does) or get all trendy along lower lids (check out Cipriana's look). Either way, layer a liquid formula (like Make Up For Ever Aqua Liner in Diamond Gold, \$23) over a pencil version (try Stila Smudge Stick Waterproof Eyeliner in Gilded, \$22) for staying power.

the Tao of fashion

SUPERMODEL **TAO OKAMOTO** GIVES US HER
 GO-TO STYLE SECRETS AND DISHES ON WHAT
 IT'S LIKE TO KISS HUGH JACKMAN IN THIS
 SUMMER'S BLOCKBUSTER **THE WOLVERINE**.
 BY CHARLES MANNING

I STARTED ACTING BECAUSE... "My Japanese modeling
 agent heard about auditions for Mariko in *The Wolverine*
 and really pushed me to do it. I had never wanted to act or
 had any acting lessons, but then I met Hugh. We did some
 impromptu and talked about my character. We just clicked."

**SHOOTING A LOVE SCENE WITH HUGH MADE ME
 FEEL...** "Awful. But Hugh made some jokes to break the
 tension, it's funny, because the first time I ever saw *The A-Team*,
 I told my boyfriend at the time how handsome I thought
 Hugh was. He was so playful!"

IF I COULD HAVE ANY SUPERPOWER, IT WOULD BE...
 "Teleportation. I travel a lot for work, and I hate flying from one
 shoot to the next in the time."

I FEEL SEXIEST IN... "A pair of high-heeled wedges with a
 strong platform. Heels look cool, but they are miserable to
 walk in."

**WHEN I DON'T KNOW WHAT TO WEAR, I THROW ON
 M.T.** "Green khaki coat + love-tees, but it's hard to find
 good green clothes."

MY FAVORITE DESIGNER IS... "Miha Miyashiro. He's
 Japanese. I have a black button jacket from him that
 I wear all the time. I'm hoping I can wear one of his dresses
 to the premiere."
