La moda vuelve a revalidarse como el más extraordinario *instrumento de evasión*. Esta temporada lo hace rindiéndose a los volúmenes abullonados y soberbios, a los tejidos suntuosos y a accesorios con plumas y pedrería. Un *singular universo* que BELLA HADID interpreta para 'Vogue'.

TWO WAYS

splatter paint

Abstract nail art is so chic and easy. Start with a neutral base (on TK: OPI Nail Lacquer in Black Onyx, \$10; on Cipriana: Sally Hansen Complete Salon Manicure in Camel Haze, \$8). Then dilute some acrylic paint (from any craft store) so it's slightly runny, dip a toothbrush into it, and with your thumb, flick the bristles over each nail. Clean up skin splatters with soap and water.

plugged-in pout

Electric lips are as essential as flip-flops during the summer. This season, it's all about fuchsia (like Revlon Ultra HD Lipstick in HD Azalea, \$9) and tangerine (try L'Oréal Paris Infallible Le Rouge in Always Apricot, \$10). Play with texture by swiping color with clear gloss for a juicy effect (on Cipriana) or tapping on translucent powder for a matte finish (on TK).

golden eye

Strike it rich with a winged-out eye—wear it traditionally against top lashes (like TK does) or get all trendy along lower lids (check out Cipriana's look). Either way, layer a liquid formula (like Make Up For Ever Aqua Liner in Diamond Gold, \$23) over a pencil version (try Stila Smudge Stick Waterproof Eyeliner in Gilded, \$22) for staying power.

the Tao of fashion

SUPERMODEL **TAO OKAMOTO** GIVES US HER GO-TO STYLE SECRETS AND DISHES ON WHAT IT'S LIKE TO KISS HUGH JACKMAN IN THIS SUMMER'S BLOCKBUSTER *THE WOLVERINE*.

BY CHARLES MANNING

I STARTED ACTING BECAUSE... "My Japanese modeling agent heard about auditions for Mariko in *The Wolverine* and really pushed me to do it. I had never wanted to act or had any acting lessons, but then I met Hugh. We did some improv and talked about my character. We just clicked."

SHOOTING A LOVE SCENE WITH HUGH MADE ME FEEL... "Nervous. But Hugh made some jokes to break the tension. It's funny, because the first time I ever saw *X-Men*, I told my boyfriend at the time how handsome I thought Hugh was. He was so jealous!"

IF I COULD HAVE ANY SUPERPOWER, IT WOULD BE... "Teleportation. I travel a lot for work, and I hate flying from one shoot to the next all the time."

I FEEL SEXIEST IN... "A pair of high-heeled wedges with a strong platform. Stilettos look cool, but they are miserable to walk in."

WHEN I DON'T KNOW WHAT TO WEAR, I THROW ON MY... "Green kenzo coat. I love green, but it's hard to find good green clothes."

MY FAVORITE DESIGNER IS... "Miharayasuhiro. He's Japanese. I have a black leather jacket from him that I wear all the time. I'm hoping I can wear one of his dresses to the premiere."

Когда-то все случается **впервые**. Этим летом мы впервые станем надевать платья с гигантскими камнями не на званый **ужин**, а на дневную прогулку. Разденемся догола, презрев стыд, и признаем **вледно-бежевый** главным цветом в гардеробе – как раньше черный. Модель **Снежана Онопка** примерила имидж рок-группы **KISS**, а фотограф **Стивен Майзел** собрал всех своих муз в одном кадре – тоже впервые. Есть с кого **брать пример!**
