La moda vuelve a revalidarse como el más extraordinario *instrumento de evasión*. Esta temporada lo hace rindiéndose a los volúmenes abullonados y soberbios, a los tejidos suntuosos y a accesorios con plumas y pedrería. Un *singular universo* que BELLA HADID interpreta para 'Vogue'.

Electric lips are as essential as flip-flops during the summer. This season, it's all about fuchsia (like Revlon Ultra HD Lipstick in HD Azalea, $9) and tangerine (try L'Oréal Paris Infallible Le Rouge in Always Apricot, $10). Play with texture by swiping color with clear gloss for a juicy effect (on Cipriana) or tapping on translucent powder for a matte finish (on TK).

the Tao of fashion

SUPERMODEL **TAO OKAMOTO** GIVES US HER GO-TO STYLE SECRETS AND DISHES ON WHAT IT'S LIKE TO KISS HUGH JACKMAN IN THIS SUMMER'S BLOCKBUSTER *THE WOLVERINE*.

BY CHARLES MANNING

I STARTED ACTING BECAUSE... "My Japanese modeling agent heard about auditions for Mariko in *The Wolverine* and really pushed me to do it. I had never wanted to act or had any acting lessons, but then I met Hugh. We did some improv and talked about my character. We just clicked."

SHOOTING A LOVE SCENE WITH HUGH MADE ME FEEL... "Nervous. But Hugh made some jokes to break the tension. It's funny, because the first time I ever saw *X-Men*, I told my boyfriend at the time how handsome I thought Hugh was. He was so jealous!"

IF I COULD HAVE ANY SUPERPOWER, IT WOULD BE... "Teleportation. I travel a lot for work, and I hate flying from one shoot to the next all the time."

I FEEL SEXIEST IN... "A pair of high-heeled wedges with a strong platform. Stilettos look cool, but they are miserable to walk in."

WHEN I DON'T KNOW WHAT TO WEAR, I THROW ON MY... "Green Kenzo coat. I love green, but it's hard to find good green clothes."

MY FAVORITE DESIGNER IS... "Miharayasuhiro. He's Japanese. I have a black leather jacket from him that I wear all the time. I'm hoping I can wear one of his dresses to the premiere."
