### HOW KARLIE GOT THIS BOD

#### DANCE-CARDIO

When she's in NYC, Karlie hits up classes at ACE, which combine high-intensity cardio intervals and body-weight exercise. "By the end of it, you're completely drenched in sweat and it's the most gratifying feeling," she says. (While Karlie's out of town, she streams the workouts from on-demand studio-44.com; there are over 2,000 minutes' worth of workouts on the app.)

#### RUNNING

If she can't make it to class, "I get my tennis shoes on, put my headphones in, and run a few miles," Karlie says. "I'm disciplined because I'm going out to the best gift you can give yourself: It's therapy and stress release, and it reminds you to breathe."

#### REAL FOOD

"I love food that has great natural properties, like a lot of fish and vegetables. For breakfast, I love scrambled eggs with an egg white omelet with spinach, avocado and feta."

GAME CHANGERS

## BUSINESS model

Who is 6'2", boasts 5.2 million Instagram followers, and has a half-dozen hyphenates to her name? It's Karlie Kloss. y'all! Give it up for her secrets on how to crack the code to your full potential.

## NOW LET'S SHRED!

When she's not posing, 32-year-old model Karlie Kloss is snowboarding. Her tips for staying in top form:

**WASH THE BACKCOUNTRY**  
"Focus on getting a good stance down instead of trying to get the right way."

**PROTECT YOUR FEET**  
"Having your feet tucked back to the board helps keep your feet warm, which will improve your balance."

**PREPARE TO FELL**  
"You have to learn to fall without it being a giant pain and packed down."

For complete shopping list, visit [What to Buy](#) on page 155.
