HOW KARLIE GOT THIS BOD

DANCE-CARDIO

When she's in NYC, Karlie hits up classes at ACE, which combine high-intensity cardio intervals and body-weight exercise. "By the end of it, you're completely drenched in sweat and it's the most gratifying feeling," she says. (While Karlie's out of town, she streams the workouts from on-demand studio-44.com; there are over 2,000 minutes' worth of workouts on the app.)

RUNNING

If she can't make it to class, "I get my tennis shoes on, put my headphones in, and run a few miles," Karlie says. "I'm disciplined because I'm going out to the best gift you can give yourself: It's therapy and stress release, and it reminds you to breathe."

REAL FOOD

"I love food that has great natural properties, like a lot of fish and vegetables. For breakfast, I love scrambled eggs with an egg white omelet with spinach, avocado and feta."

NOW LET'S SHRED!

When she's not posing, 29-year-old Swedish fashion is snowboarding. Her tips for staying fit:

WASH THE BACKCOUNTRY
"Focus on getting a good steam down instead of trying to get the right way."

PREPARE YOUR FEET
"Having your feet backed to the board helps keep your foot locked, which will improve your balance."

PREPARE TO FELL
"You have to learn to fall without it being in your pants and pocketed socks."

For complete shopping list, visit [What to Buy](#) on page 155.
