EL ÁNGEL VERD

Fotografía: Adam Franzino

Candice Swanepoel se crió en una granja en África. En su incipiente embarazo nos confiesa por qué debemos cuidar nuestro planeta en el entorno que mejor conoce y con el que se identifica: naturaleza, agua, viento, vida

Candice Swanepoel es una de las modelos más bellas del mundo. En su incipiente embarazo nos confiesa por qué debemos cuidar nuestro planeta en el entorno que mejor conoce y con el que se identifica: naturaleza, agua, viento, vida. Ella nos habla de su infancia en una granja en África, de su amor por la naturaleza y de su compromiso con el medio ambiente. Ella nos habla de su infancia en una granja en África, de su amor por la naturaleza y de su compromiso con el medio ambiente. Ella nos habla de su infancia en una granja en África, de su amor por la naturaleza y de su compromiso con el medio ambiente.

El cambio climático es un hecho, lo sentimos claramente... pero la gente decide no hacer caso. Debemos despertar.
