THE CURE FOR THE COMMON COAT

COAT CHECK

It's starting to get cold pretty fast, so leaving your coat at home is definitely no longer an option. And you don't want to just throw on the same coat over every outfit. So whether you're dressed up, dressed down or ready to work it out, there's a coat for that.

77
COAT CHECK

The image shows a woman in a bright red, double-breasted coat with a black turtleneck, standing on a film set. She is wearing sunglasses and has her hands in her pockets. The set includes studio equipment like tripods and a boom microphone. On the left, there is a graphic of overlapping triangles in blue, red, and teal, with the text 'COAT CHECK' and a small paragraph below it. The page number '77' and 'COAT CHECK' are also visible on the left side.
