Michael Looney's

81 reasons why
he's on an **81mg**
aspirin regimen.

Michael Looney nearly died of a heart attack while playing basketball. He was only 40. Now he's on a doctor directed 81mg aspirin regimen to prevent another heart attack. And, of course, so he can play a lot more basketball.

Aspirin is not appropriate for everyone, so be sure to talk to your doctor before you begin an aspirin regimen.
