MADDIE ANSWERS YOUR QUESTIONS!

"Leaving Dance Moms was a hard decision to make—I was one of the originals—but it was getting too stressful," she says. "Now, I feel like I'm so free."

Now that you're done with Dance Moms, will you continue to compete? ~@andressa_th
I still take classes [at Abby Lee Dance Company]. But I have a lot of professional dance jobs, so it's really hard to continue to compete with the team—I don't want to let them down when I can't be there. But I will always keep dance in my life in some capacity.
What advice would you give to people who are just starting dance? ~@kenzieziegler
Work hard and never stop believing in yourself. I was horrible when I first started dance. I'd never win, and I was always in the back of my group dances. I made it my main goal to be better.
What's your favorite thing about Abby? Is she as bad as she seems on the show? ~@dancemcm
She's definitely exactly how she is on the show! But the thing that I like about her most is she can actually be funny sometimes. And she also wanted me to be good. It's nice that she paid a lot of attention to me, but it would be a little embarrassing because Abby would sometimes say, "Maddie's the best so you need to do the move like her." And then my friends would get a little mad. And I understand that, because they just want to be themselves, not try to be me. I feel like I had so much more pressure on me to be the best in the room.
If you could be best friends with any celebrity, who would it be? ~@miotiofficial
Kendall Jenner and Gigi Hadid. Gigi is really sweet. I would love to hang out with her. And I love the Fifth Harmony girls. I can be their dancer—Sixth Harmony!
Who would you love to model your acting career after? ~@lbarkle2
Jennifer Lawrence. She is an amazing actor and can do anything. She can be really quirky, and she's so funny in interviews I've seen. I'd love to see her do a Sia video parody. She would be amazing at "Cheap Thrills"!
What do you do to calm down before a performance? ~@henleeson
Usually I don't really talk to anyone before I go onstage or before a scene. I just kind of relax. And I always cross my fingers. I don't know why. I sit there, hoping for the best. You never know what's going to happen.
What's something people would be surprised to know about you? ~@dancemomplanet
I'm obsessed with watching face-painting tutorials on YouTube. They are so cool. I love this girl named MadeYewLook. When I just wanna chill, I grab my face paint, and I prop up my phone and follow the step-by-step. It's therapeutic. My favorite one of all time that I did was a half-Avatar, half-human one.
Would you ever plan to make a YouTube channel? Please do! ~@mackzlover2
When I was younger, I had a YouTube channel where I did face-paint tutorials. *[Editor's note: It's still up! Check out MaddiesHairAndMakeup.]* It's really bad because I was little. I did three makeup tutorials but stopped because I barely knew how to do it. I'd love to do a beauty channel if I had time.
If you were a Disney princess, which one would you be? ~@minisiamaddie
Ariel. I think it would be sick to be a mermaid. I wouldn't like the part with Ursula taking away my voice, but everything else is pretty cool. I mean, to brush your hair with a dinglehopper? And Flounder and Sebastian as best friends? Like, Prince Eric—he's perfect. King Triton is a really cool dad.
What was your last dream? ~@crazykidcoe
I have scary dreams—my recurring nightmare is falling off a cliff—but the other night I had one that was just weird. I was with my friends at dance class and then these guys showed up and they were wearing masks—they looked like ninjas. It was kind of like *Divergent*. They took me and a friend on this zip-line thing, and it ended at a trampoline park. It's hard to remember exactly how it finished because my mom always wakes me up right when I'm finishing a dream. It's really annoying.
Where do you see yourself in five years? Ten years? ~@cookiebakergirl
When I'm 18, I'll probably be in L.A. permanently, living with a roommate and a dog, keeping up with my dancing for sure and maybe doing a scripted television show. And in 10 years, hopefully I'm going to find a guy that I really, really like. I'm not allowed to date now, but I don't even like anyone or have time anyway.
If you had to describe your life in one word, what would it be? ~@mxdisonzieglers
Incredible. Because I have some pretty cool friends and a really good family. I never thought I'd do any of this, or if I did, I thought I'd be much older. I have a lot of fun. It's pretty cool. ●

ЧАО, БЕЛЛА!

Белла Торн в свои 16 демонстрирует довольно внушительный список достижений. Она снялась в череде популярных сериалов (среди них «О.С.» — Однюжне сердцая, «Танцевальная лихорадка» и «Заклятые друзья»), написала книгу под названием «Autumn Falls» и сейчас готовит к выпуску дебютный музыкальный альбом. Но главным предметом гордости для девушки остается карьера в большом кино, которая стремительно набирает обороты. В новом сезоне у нее запланировано четыре премьеры, одна из которых — комедия «Александр и ужасный, ужасный, никчемный, очень плохой день» — намечена на 16 октября. Две ее самые большие творческие мечты — сыграть в мюзикле и поработать с режиссером Джуддом Апатоу (этому что он снимает лучшие комедии в мире). Вот еще несколько интересных фактов о Белле Торн.

В ДВИЖЕНИИ Стройной фигурой Беллы восхищаются тысячи поклонников во всем мире. «Дело в том, что по жизни я очень активна, — признается актриса. — Никогда не сидела на диетах — предпочитаю спорт». Фавориты у нее занятия soul-сайклом, куда она ходит с друзьями, и силовые тренировки в фитнес-клубе. Еще Белла неравнодушна к танцам и регулярно посещает лос-анджелесскую студию Millenium Dance.

СКРОМНО, СО ВКУСОМ В выборе нарядов Торн чаще всего руководствуется своим настроением. Она любит экспериментировать с образами, комбинируя разные цвета и фактуры. «Жизнь в Майами Бич сильно повлияла на мой стиль: я обожаю пляж, простую одежду и могу целыми днями ходить в купальнике», — скромничает Белла, которая уже давно прочно закрепилась в списке самых стильно одетых звезд. Для торжественных выходов Торн предпочитает наряды Zac Posen и, по ее словам, просто без ума от сумок Chanel.

В ДОБРЫЙ ЧАС Белла сотрудничает с организацией Nomad, которая помогает обездоленным детям в Африке, и лично спонсирует кенийскую девочку Лидию Канини Кийо. Любовь к благотворительности Белле привила бабушка. «Она была очень доброй и отдавала все свое состояние на помощь нуждающимся, — рассказывает Торн. — Бабуля с раннего детства учила меня быть внимательной к людям, которые страдают».
