INTERVIEW...

Rie Rasmussen

West Hollywood, March 14, 2011. At thirty-two, the Danish-born model, actress, photographer and filmmaker has left a lasting mark on Gucci, YSL, De Palma, and Besson. Rie Rasmussen is the writer, director and star of two short films and one feature, *Humar Zoo*, that confront parallels between love and violence, seduction and spite. The towering beauty is a prolific and often provocative artist who holds nothing back on set, in an interview, or as a fashion party with Terry Richardson. Interview by Jules Moon.
