LEARN TO:

Originating in Italy in the 17th century, potato gnocchi is half pasta, half dumpling and all delicious. In our family, we honour tradition with this beloved recipe featuring simple, quality ingredients – and you can too!

YOU SAY  
POTATO,  
WE SAY  
GNOCCHI.

Just follow these simple steps (which are even easier when everyone helps out) and add tender gnocchi to your list of go-tos.

Whether you fancy a tomato sauce or a rich cream sauce, we've got you (and your gnocchi) covered with our authentic Longo's Curato sauce lineup. Pressed for time? Try our new Potato Gnocchi – which cooks in mere minute.
