ARCHITECTURAL DIGEST

THE INTERNATIONAL DESIGN AUTHORITY NOVEMBER 2020

The image shows the cover of Architectural Digest magazine. The main visual is a photograph of a modern, white, circular floating home named 'BUKKEN-BRUSE FEJØ'. The home has large glass windows and a man in a tan suit stands on a circular platform in front of it. A young child is playing with a colorful ball nearby. The sky is blue, and there are some trees and plants around the home. A large green 'AD' logo is overlaid on the left side of the image. Text on the right side of the cover reads: '59 dreamy kitchen ideas to fall for + inspiring renovations from copenhagen to california'. At the bottom right, the text says: 'all aboard! starchitect BJARKE INGELS creates a floating family home'.
