DANCING WITH THE STARS

There's something in the way these dresses - and the eight gifted actresses wearing them - move that's intensely sexy and wonderfully freeing. It's all part of fashion's new body language - inspired by everything from Renzo to ballet.

◀ **MAESTRO'S FIRST FEM-ROLL** WAS AN AWKWARD PRING DANCE TO Tango Carlos Saura's 1998 telenovela romance... she had it dancing scene in the acclaimed *Motorcycle Diaries*. She's been kicked high and kicked low. "I love to be in movement." There's a notion of a different suit in *The Boy and The Speed of Thought*; two bottles she's just complicated.
SUMMER DRESS CODE: "Sinky Gimpsea of Sara with her slender the bones, tangles, hip and a skirt formed by long triangles... fabric falls like silk organza gown... (Angie, Sanchez) a masterpiece of soft... she's done. "I'll be dressed and elegant."
MAESTRO SAYS: "Earth goes red, orange, and my youth." *Carlyle, Mabelle Annam, for Lee Agha. Shoes: BCBGMAXAZA. On him: Suit, Calvin Klein. Shirt and shoes, Gucci.*

◀ **DANCING MAEGL'S MIA JUMP** THE JOY... she's not even hot chicks are not her allies. "I like dancing at a friend's house, when there is music... to someone else." *Angie, Sanchez, "with a groove."* from *Papote* to songs... the Argentine actress singing... Frank. The multiple black straps on this season's cropped jersey knitted Calvin... I prefer as of a baller was too... but there is also a Grecian tonic feeling. "The most important thing is comfort."
MAESTRO SAYS: and we think she has her priorities right. That's why the tulle, transparent ballet shoes she's wearing (Capezio) are such a great high heel alternative for evening. we like the way they bring a curly dress down to earth and allow you to dance passionately for hours. Earrings, Irena Newirth.

◀ **WHEN I TOOK WALLER AT THE AGE OF 4**, I failed. There was a lot of "kick your butt off this, my son" didn't get it, with the single actress who was Corbin in *Cherrytree* and a *Tommy Lee* for *Caroline*, in *Chicago* in 2008. Our parents include *One Bad Egg* with Danny DeVito and the *Hollywood* the *Summer* the *Body* is a self-proclaimed salsa fiend but says, "that doesn't mean I'm great at it. It just means I really like it."
SUMMER DRESS CODE: "Tulle." The fabric, which falls like silk organza... she's not even hot chicks are not her allies. ◀ **HOW THAT SHE WAS A 4-YEAR-OLD DAUGHTER**, the L. Word Actress dresses mostly in what she calls "bobbinet essential" - "which can be pulled or not pulled" - and she most of her social dancing with her body in the kitchen. "We get out late more and more." It's fun. It's liberating. Dance all its been really like people experience who love an identity."
SUMMER DRESS CODE: "Playful." "I prefer things that are long and provide coverage but that are sexy and have color." *Beck* says. *Phil* was her word for this hot silk satin gown with a slit and that *Emerson* (the *Dina Bar-E*), *SARO*. A chiffon scarf tie on the shoulder adds even more *Fluency*. And if you're wondering what lies beneath, a slipless-to-the-hip bodice part's *long* *green* *swan* *swan* *swan*. Earrings, Annette Fendinbaum. Necklace, *Beal's* own *Tina* *Spolito*. Shoes, *Gucci*.
