There's nothing like the smell of compliance in the morning.

Even before that first pot of caffeinated goodness, we've got tax and ACA regulation on the brain. Because at ADP, we're always looking for new ways to pair innovative technology and human expertise to help you navigate risks associated with compliance. That way you can start your day by focusing on what's important — whole milk or skim.

SUMMER BETTER than THE REST

It's pretty much an indisputable scientific fact: most of life's best moments happen during summer. And we want you to look your best for every single one of them. So let us take care of the style part - the linen suits, the summer weight shirts, the new jeans you'll practically live in. You've got other things to worry about. Because that rooftop rager isn't going to DJ itself. Somebody's got to go black-tie to Shakespeare in the Park. And world-class cannonball champions aren't born. They're made.

On the Cover: SHIRT: The President - Grey, cotton blend, \$445. Jacket: \$175, jeans \$155, available separately. Also available in Stone & Navy.
