T BY ALEXANDER WANG
 ON THE CAST OF
 'THE VAMPIRE DIARIES'

Founded: Women's, 2009; men's, 2010, New York City
 Designer: Alexander Wang, 27

The aesthetic: Wang ("I relied anti-fit to brilliantly deconstruct—there's a science to the slouch of his cool kid jeans and sweats. Slide 'em on and you feel as loose and easy as the clothes.")

Fan bases: "Difficultly they're known as the 'Wangsters'—downtown New York hipster chicks,

like Chloë Sevigny, M.I.A., Zoe Kravitz, and Kirsten Dunst, who've been slinking around in his tees for years."

Fashion pet peeve: "Anything bedazzled."

Every man should own: "White, washed T-shirts—ones that look like they were slept in and pulled on the next day. They're modern and comfortable, and they mold to your body so they feel totally personal."

For clothes, see *Absolutely On*, page 203. Where to Buy? Go to Q2 online; fashionfinders.net

SPORTY

SUMMER HAS A WAY OF sneaking up. And when the flesh-baring weather hits, you want to be ready. To see real results in a short amount of time, we're revving up your fitness routine—but that doesn't mean you'll be sweating at the gym for hours. In fact, you'll carve sleek muscle and torch body fat in as little as 10 minutes a day. "Although these strength routines are short, they're highly efficient, because they feature compound exercises that work more than one muscle group at a time," says strength and conditioning specialist Chris Powell.

He designed this program in the same way he trains his clients when they need to shape up quickly. Each sweat session also creates an "afterburn" bonus that keeps your metabolism going long after you're done. Simply alternate between Workout A and Workout B four days a week, turn up the heat body effect with the perfect dose of cardio (see "Torch More Fat with Cardio," page 156).

Another big bonus: This plan doesn't require you to fuel all your workouts with kale salad. You need to eat well, but we've made it easy throughout this guide. Look for nutrition tips from Christine Gohmert, M.D., R.D., author of *Doctor's Diet: The Ultimate Weight Loss Prescription*. Stay on track and see a hotter body in as little as two weeks. (We grant you full permission to order one of these to-die-for suits as added incentive.)
