FRANKLY ICONIC

A German expat brings a minimalist sensibility to a wildly sculptural early house by Frank Gehry in Southern California.

BY JANELLE ZARA
PHOTOGRAPHS BY SAM FROST
STYLED BY AMY CHIN

The living room of a house in Venice, California, that was designed by architect Frank Gehry in the late 1970s, and recently renovated by current owner Florian Marquardt. Vintage sofa by Mario Bellini; cocktail table by Mike Rotz-Sertig; rug by Nordic Knots. For details, see Resources.

Art Department

A sunset landscape with a hammock hanging from a tree branch. The hammock contains two silhouetted figures. A network diagram is overlaid on the scene, with nodes labeled 'Home', 'Work', 'Experiences', 'Family', and 'Living' connected by lines. The background shows a sunset over mountains.

We focus
on the most
important
economy
in the world.
Yours.

Your personal economy is more than just figures on a spreadsheet. It's your life, in all its richness and diversity. We see how it's unique to you and constantly changing. So at HSBC Premier our focus is on providing personal support, for your personal economy.
