## Williams-Sonoma Professional Stainless-Steel Cookware

Our professional tri-ply cookware does it all—from sautéing and frying to simmering and braising. An aluminum core transmits heat efficiently, while tempered glass lids seal in moisture and ergonomic handles stay cool. Brushed stainless-steel exterior. Dishwasher safe.

**Jenn Louis**  
CHEF AND CO-OWNER  
of L'Espresso restaurant  
and Sonoma Tavern  
in Portland, Oregon

To write her cookbook, *Photos by Jenn*, Portland-based chef Jenn Louis went straight to the source: she traveled to Italy and practiced making Italian dumpling pastas, such as gnoccoli, with local chefs and even home cooks. Louis transformed her scribbled notes into precise, meticulous recipes based on the techniques she learned during her travels.
