ON THE TERRACE WITH EDWARD BURNS

FILMMAKER AND ACTOR EDWARD BURNS ENJOYS GETTING TOGETHER WITH FRIENDS, OLD AND NEW IN NEW YORK'S SOUTHAMPTON. HERE HE SHARES A FEW OF HIS ENTERTAINING PRINCIPLES THAT MAKE EVERYDAY OCCASIONS EXTRA-SPECIAL.

THE GUEST LIST
The secret to a great soirée lies in the guest list. “I hang out with so many different groups of people,” Edward says. “It’s great when these worlds mingle and my friends become friends.”

THE MUSIC
Play to your guests, and let the party unfold naturally. “When I have friends over who have families, I’ll play a more chilled out singer-songwriter mix. But when the last of my single friends arrive, the alternative and classic rock go on.”

THE FOOD
Keep things simple so you’re able to enjoy your own party. Paying attention to location comes into play, too. “I’m entertaining at the beach, my specialty is Long Island fluke, caught right out of the water,” Edward says.

THE POUR
Simple cocktails are an easy way for a host to make a great impression. Edward serves GREY GOOSE Le Citron flavored vodka over ice, with a splash of sodas and a squeeze of lime. “There is a confidence in simplicity,” Edward says, “which is something I find very refreshing.”

“The perfect evening is one that reminds you that you don’t need to leave home to have a good time.”
