A SINGULAR WOMAN

Julianne Moore has earned her eminent position in Hollywood, and from there can look down on the cultural landscape — the Time's Up and Me Too movements, and the changing dynamics between men and women. She can, though she won't, for one of her particular qualities is her humility. 'Power,' she tells TOM CHAMBERLIN in an exclusive interview, 'denotes hierarchy. So why do I have to be powerful?'

服饰VOGUE 与美容 美容

一吻定情

以爱情的名义,爱惜你的
双眸,给它最好的呵护,让
“他”一吻倾心。

爱香有道

香水也许并非你的每日必需,
但让自己散发个性香味,拥有属于自己的“嗅觉名片”,在香氛世界的广阔天地间不断探索遨游,是一件莫大的乐事。

让秀发视觉增量

对于发质天生细软稀疏的人来说,发型扁塌呆板是困扰他们一大难题,但随着美发技术的进步,在视觉上增厚发量,让发型变得丰盈漂亮,已不再是遥不可及的梦想。

CHELSEA LATELY

Orange accents update the classic '60s-mod Chelsea boot. It's the perfect weekend shoe, adding polish to jeans and skinny pants. (But don't wear these boots with leggings—your feet will look huge.) A flat sole means you'll be able to run a day's errands with ease.

Boots, DV by Dolce Vita, \$129. Jacket, Club Monaco, \$329. Pants, Zara, \$30. Bag, Louis Vuitton. Socks, Falke.

RED ALERT

The shbootie (a hybrid shoe-ankle bootie) is a cooler alternative to pumps. It looks fantastic with skirts, dresses, or pants, but be mindful of your hosiery situation. While black tights are fine with black shbooties, bare legs are best for colored versions.

ATTEN-SHUN!

Military green is an active-duty neutral: Pair it with darks and brights alike. The boot on the left blends fashion and function (the lug soles provide traction); the riding style on the right is extra comfy, with a foam footbed that contains Adidas shock-absorbing technology.

Left: Boots, Tory Burch, \$450. Coat, L.A.M.B., \$695. Sweater, L.L. Bean, \$69. Pants, Paige Denim, \$219. Bag, Marc by Marc Jacobs. Socks, Falke. Right: Boots, Rockport, \$220. Coat, Etienne Aigner, \$895. Bag, Clare Vivier. Tights, Falke. Shot on location at the Smith, NYC.

WALK THIS WAY

A stiletto-heeled boot will always be a wardrobe essential. Wear ankle styles with dark tights so you don't visually shorten the leg. Pair a tall boot with a skirt that hits at or below the knee—but if you have to wear a shorter skirt, opaque tights are a must.

Left: *Booties, Elie Tahari, \$595. Sweater and skirt, Cynthia Rowley, \$295 and \$325. Watch, Gossip for QVC. Gloves, Bruno Magli. Bag, IllBeca by Jay Gryson. Tights, Bootights by Shelby Mason.
