THE SCIENCE BEHIND MAGNIFICENT COLOR NOW WITH COLOR SEAL ELIXIR:

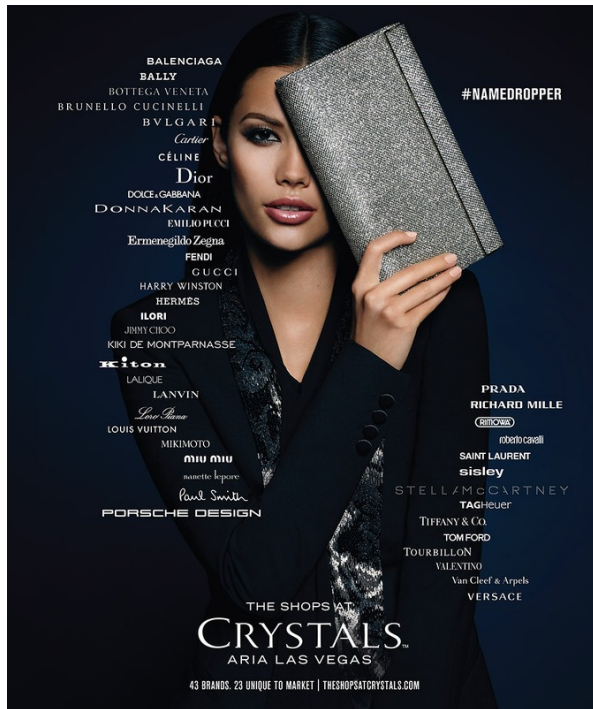

- SEALS COLOR INSIDE THE FIBER.
- PROTECTS AGAINST UV RAYS.
- DEEPLY NOURISHES TO PROLONG RADIANCE. COLOR DOES NOT FADE, DOES NOT CHANGE, DOES NOT LOSE ITS LUSTER.

**TRUTH OR BARE**  
Dare to bare your skin this summer. Do-it-all moisturizers. Complexion-perfecting treatments. Skin that looks better in the buff.

**UNCOVER**  
Flaunt fresh-faced skin with perfecting treatments

**NEW! Kinerase Extreme Lift Face, \$150**  
What it is: An intensive treatment that turns the appearance of forehead furrows, frown lines and crow's feet—on contact.  
How it works: The advanced ingredient roster immediately reduces the depth of noticeable frown lines, while helping to boost collagen for visible tightening.  
Why you need it: Skin looks up to 10 years younger in 5 minutes (real)—it's clinically tested.

**NEW! Murad Intensive Wrinkle Reducer for eyes, \$90**  
What it is: An aggressive eye treatment that treats crow's feet at the surface and at the cellular level.  
How it works: The formula resurfaces wrinkles without irritation, while Daman, an Asian super fruit, lets ingredients absorb, antioxidant protection and hydration.  
Why you need it: After 1 application, crow's feet shrink up to 33%.

**Bliss The Youth As We Know It, \$70**  
What it is: A fine lighting moisturizer infused with 10 of the most potent youth-promoters Bliss has found over 10 years.  
How it works: The all-star lineup of vitamins, peptides and antioxidants helps prevent wrinkles, even tone, decrease redness and smooth lines.  
Why you need it: It's one-stop shopping for age control.

**MAKING EYES**  
All the visual aids you need to be runway ready

**Urban Decay Eyeshadow Primer Potion, \$18**  
What it is: An ultra-shine base that glides on the lid and instantly disappears to keep eye makeup from creasing.  
What it does: This magic potion acts like glue for eye shadow, eyeliner and eye makeup.  
Why you need it: It single-handedly solves your eye makeup, from smudging and pulling a disappearing act.

**NEW! Anastasia Beverly Hills Go Brow \$21**  
What it is: A dual-ended brow pencil and highlighter in one.  
What it does: The universal color shades and defines brows of every shade, while the highlighter gives the eye a pop and a lift.  
Why you need it: It's your one-way ticket to unforgettably gorgeous eyes.

**NEW! Stila Red Carpet Lock Shadow Palette with Mini Kajal Line \$40**  
What it is: A limited-edition 3-piece eye kit inspired by the couture corsetry seen on the Marchesa fall runway.  
What it does: The matte and shimmer shadows give eyes a dreamy, feminine look, while the eye-defining kajal adds definition.  
Why you need it: The chic corset kit is a model fave and a glam addition to your fall wardrobe.

## SHOWGIRLS

Take center stage with summer's sultriest makeup

**NEW DiorSHOW Black Out Waterproof Mascara \$14**

What it is: A waterproof version of Dior's mega angular mascara.

How it works: The truckle-like kohl black formula comes with a plush separating brush to create the bold, voluminous look of false eyelashes.

Why you need it: Sun, sweat and swimming are no match for this baby!

**NEW Smashbox Oasis Shadow & Liner Quad \$30**

What it is: An eye-enhancing quad full of the season's must-have shades.

How it works: Mix 'n' match gold, copper and bronze shades for a gaze that glows, add deep bronze liner for a summery twist on the smoky eye.

Why you need it: There's no better accessory for beach or BBQ.

**NEW Hourglass Blume Cream-to-Powder Bronzer Duo \$40**

What it is: A luminizing cream bronzer and highlighter duo housed in a tiny, 3D™ veiled mirror compact.

How it works: The velvety cream-to-powder formula blends seamlessly for natural radiant skin shades.

Why you need it: You prefer beauty with brains. This double agent packs vitamins A and E to protect while it perfects.
