Manteau en lainage écossais, rébroché de trames et perles sur le revers et le col, gulf décorés V en cachemire doublé et boutons Stormy. Poêle, l'artillerie en velours, D&G

L'échappée belle

Les tailleurs et les manteaux d'inspiration militaire se libèrent des contraintes de l'uniforme. Sanglés, cintrés, ceinturés, ils s'allègent et s'adoucissent. Écharpes, baudriers et médailles les agrémentent avec fantaisie. Pour visites officielles et fugues confidentielles.
