► see-thru PVC macs at Prada, capes and crucifixes at Gucci, more strapping than is quite necessary at Dior. Not forgetting the cobwebs adorning Sophia Kokosalaki's necklines, Yves Saint Laurent Rive Gauche's distressed black dresses and Ann Demeulemeester's foreboding shrouds. McQueen, as ever, took everything to extreme levels with a look that was Helmut Newton and Tim Burton in equal parts. Pallid skin and kohl was everywhere, as was leather – now more than a mere luxury. "Fashion has definitely gone darker," says i-D's Fashion Director Edward Enninful. "It's very S&M, very dominatrix." ▶

Describe yourself in five words
A woman under the influence most
important lesson you've
learned? We gotta hold on to what
we got, it doesn't make a difference
if we make it or not definition of
beauty? Someone who is not
afraid to be who they really are
what keeps you awake at
night? Either jet lag or phone sex
weakest experience? Getting my
pussy waxed for the first time

TESTE BRILLANTI

Chi ha paura di sole-mare-cloro, i nemici del colore e della salute dei capelli? Oggi ci sono formule-trattamento a (sempre più) lunga durata, protezioni con filtri anti-Uv e bagni d'olio rigenerante. Di Antonella Bussi. Foto Jan Welters

Proteggere, detergere e ristrutturare: un programma su misura per mantenere il colore brillante e godersi il sole. Da Alta Parf il trattamento in tre fasi alla vitamina C che comprende gel e olio protettivi, shampoo e una maschera intensiva che agisce in 3 minuti.
