AMANDA SEYFRIED
In *Loveless*
"Deep Throat is a disgusting film. It's not artistic, even though it was the first mainstream gay porn movie to be released in theaters. It has some great, subtle moments. But the long scenes of people having sex were not interesting to me. I watched 20 minutes, and that was enough."
Dorcas

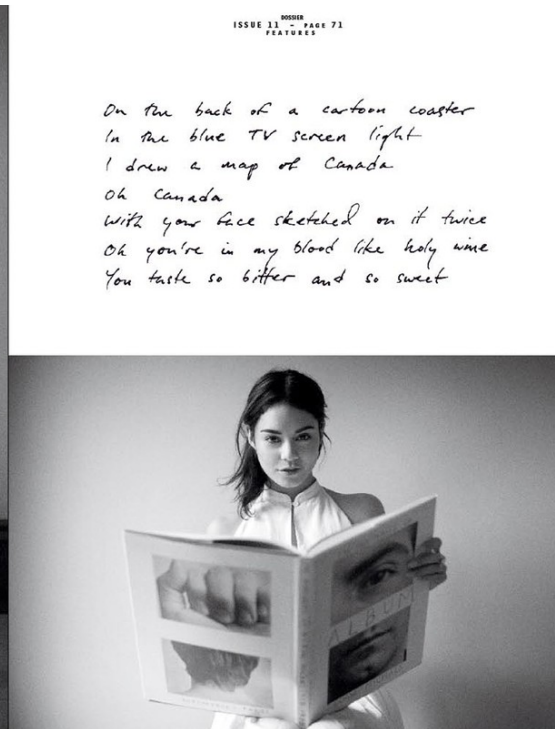

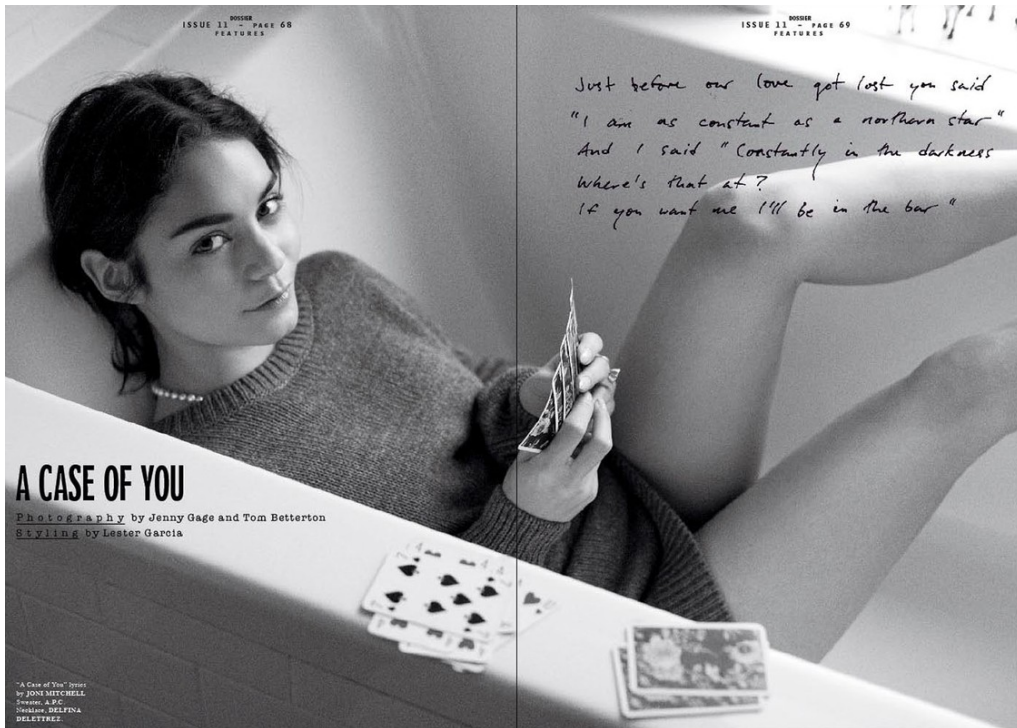

MICKY SUMNER
In *Project X*
"The first time I was in a shower was 10 minutes of the Love 101. My dad pulled us all up from school and said, 'It was also the first time I was allowed to drink.' Cool. The movie terrified me. Everyone burned. But Harrison Ford was just so gorgeous. That and the *Guinevere* book up for my award."
Harrison Ford: *Guinevere*, *March* (Harrison Ford)

CHIC IN A SNAP

Want to look off-camera trendy, but to appear more on-camera? This one's for you. The grid pattern is a classic, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now.

BREAK A PATTERN

As a model or actor or public figure, you're always being photographed. So it's important to have a go-to look that's easy to wear and easy to style. The grid pattern is a classic, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now.

UNTIL last year, no one would have described Emmy Rossum as a shameseek. An archetypal beauty, she blossomed into the spotlight in 2004 as the sweet-voiced Charisma in the big-screen version of *The Phantom of the Opera*. Last winter, the actress, 25, shooked her refined reputation to play Fiona in *Shameless*, the wacky *Shawshank* done-it's-a-delicat role she roasts, she seduces, she saves. (Her sex scenes are tame, even for the FoxNet cable network.) In short, the girl's got spunk, making her a natural to model this season's daisy-duck-a-outer fashion. "I had so much fun in these clothes—day is feminine with an edge." As for taking fashion risks, Rossum's all for it. "It's liberating to mix it up, pairing stripes with florals or wearing two brights together. It makes your style unique. And it's not like cutting your hair; you can always take the screws off!" With these fun styles, though, who would want her?

GET IN LINES

Get in line for the latest in stripes. The classic is back, but this time it's a little different. The stripes are wider, the colors are brighter, and the patterns are more playful. It's a classic, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now.

GO WILD

When you're in a mood to go wild, there's nothing more fun than a zebra. It's a classic, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now.

SHORT OF IT
Bright ideas abound that show off the season's new color palette. Here, a striped shirt and a bright pink skirt are a winning combination. You can wear shorts that match, or mix and match. The idea is to have fun with color. (Photo: [unreadable])

Pleats are back but with pumped-up **PERSONALITY**. Hot colors and tricked-out tucks let you be sweet and sexy.

KNOW WHEN TO FOLD 'EM
The pleated skirt is back, but it's not the same. This season, it's all about personality. Think of it as a fashion statement. (Photo: [unreadable])

ALL BOILY'D UP
Every girl should have a look that's so easy to wear that it's almost invisible. Here, a white lace top and sunglasses are a winning combination. (Photo: [unreadable])

BEAUTY NOTE
The new season's look is all about simplicity. (Photo: [unreadable])
