## CHIC IN A SNAP

Want to look off-camera trendy, but to appear more on-camera? This one's for you. The grid pattern is a classic, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now.

## BREAK A PATTERN

As a model or actor or public figure, you're always being photographed. So it's important to have a few go-to outfits that are easy to wear and look great on camera. This one's for you. The grid pattern is a classic, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now. It's a timeless shape, but it's never been so chic as now.

**UNTIL** last year, no one would have described Emmy Rossum as a shameseek. An archetypal beauty, she blossomed into the spotlight in 2004 as the sweet-voiced Christina in the big-screen version of *The Phantom of the Opera*. Last winter, the actress, 25, shed her refined reputation to play Fiona in *Shameless*, the wacky *Shawshank* done-it's-a-delicat role she roasts, she seduces, she saves. (Her sex scenes are racy, even for the FoxNet cable network.) In short, the girl's got spunk, making her a natural to model this season's dapper-with-a-dick fashion. "I had so much fun in these clothes—day 'n' feminine with an edge." As for taking fashion risks, Rossum's all for it. "It's liberating to mix it up, pairing stripes with florals or wearing two brights together. It makes your style unique. And it's not like cutting your hair; you can always take the screws off!" With these fun styles, though, who would want her?

## GET IN LINES

Get in line for the latest in stripes. This season, the classic stripes are being reimagined in a variety of ways. From the classic red, white, and blue to more unexpected combinations like black and white, stripes are everywhere. They're perfect for a variety of occasions, from casual to formal. They're also a great way to add a pop of color to your wardrobe. So get in line for the latest in stripes.

**TREY SONGZ** is on a winning streak. The Grammy-nominated 27-year-old drops his fifth album, *Chapter 1* next month, and if the hit "Heart Attack" is any sign, it's going to kill. Songz, born Tremaine Aldon Neverson, deserves it: The man gives a lot of love, which explains his more than 4.2 million Twitterites. His charity, AngelsWithHeartFoundation.org, works with his fan club, Trey's Angels, to do clothing drives. (A few admirers mobbed our shoot on Sunset Boulevard, on first page.) He also gets raves for his fashion sense. "Dressing sporty shows confidence, and nothing is sexier than confidence," Songz says. Score high on style tonight by following his playful, sexy lead.

**MATCH POINT**  
The tennis dress one of the most popular items of the season. Primary colors make it sporty and fun, and the mini length makes great use of the body. **STYLING:** Tommaso Spartera, **HAIR:** Anthony Lee, **MAKEUP:** Jennifer Lee, **PROP STYLING:** Mark, **PROP STYLING:** Mark, **PROP STYLING:** Mark

## killer knits

Want a winter look to die for? The *New Moon* crew puts the sexy in cozy dressing. Behold sultry vampires in smoldering styles.

Photographs by Anne Menke

**I**t rains incessant and bone-chilling in Forks, Washington, the tiny town where *The Twilight Saga: New Moon*, the second installment in the highly successful series, is set. Luckily for its resident vampires played by Ashley Greene (top), Rachelle Lefevre (opposite page) and Kellan Lutz, bloodsuckers can now warm their icy hearts with snuggly sweaters and mini-twig layers. When *SELF* tapped the trio to reveal their inner mortals to our cameras, the stars were smitten with the styles. "In Florida, so few ever give winter shopping," Greene said. "But looking through the racks, I was, like, 'I want this, I want this, I want that.' Peruse these pages, then sink your teeth into fall's new knits.

Today's easy to wear knits in a woman's wardrobe from your same old sweater and jeans. Layer a double over a dress or under a vest, or add a hat or scarf. **STYLING:** Tommaso Spartera, **HAIR:** Anthony Lee, **MAKEUP:** Jennifer Lee, **PROP STYLING:** Mark, **PROP STYLING:** Mark, **PROP STYLING:** Mark
