HARDIOR

With this Fall 17 collection, Kris Van Assche is taking inspiration from the New Wave period. Emerging at the end of the 1970's in Europe and the USA, this movement is an "offshoot" of Rock 'n Roll music, characterized by the use of electronic devices to complete guitar riffs. Paying tribute to the House Savoir-Faire and its heritage, Kris Van Assche is also re-interpreting traditional tailoring in the light of underground inspirations, creating contrasting combinations which are the base of the new Dior Homme spirit.
