Il reste encore des acteurs heureux à Hollywood. La preuve avec Billy Crudup, cataclysmique Dr Manhattan du "Watchmen : les gardiens" et, plus récemment, énième victime dans "Alien: Covenant", de Ridley Scott.

DON'T MESS WITH MY BODYGUARD

Ouverture de la saison d'été sous garde très rapprochée, 24/24, 7 jours sur 7, pour deux blockbusters du dressing masculin : le costume et le blouson, vecteurs de pouvoir, simples mais efficaces. Il n'y a pas de meilleure façon d'affirmer son style. Et d'en imposer.
