SPECIAL THANKS FOR THE LOCATION FOR SIXTY SOHO HOTEL,
THE GORDON BAR AND SESSANTA RESTAURANT
@sixtyhotels @thegordonbar @sessantanyc

Su vida cambió al ser descubierta por el célebre niño del pop, Justin Bieber, quien se encontrara en su canal de YouTube diversas versiones de sus canciones. Con sólo 17 años de edad, esta chica oriunda de Nueva York promete mucho en el mundo de la música; basta con una probadita de sus sencillos: *Melodies*, *Unbreakable* o *Something Sweet*.

Hoy, además con este *shooting* exclusivo para *Luxury Guide Book*, demuestra que también es toda una fashionista con gran estilo y gusto por la moda.

-¿Qué fue lo mejor del 2016 para ti?

Me dio la oportunidad de ser una artista independiente y trabajar con productores increíbles que encontraron mi propio sonido y voz.

-¿Cuál es tu forma de celebrar estas fiestas?

Con la familia y los seres queridos, la única manera que debe ser.

-Tus metas para 2017...

Darle a mis fans música increíble. También espero realizar ¡mi primera gira!

-Cuéntanos sobre tu estilo, tus marcas favoritas de Haute Couture...

Me encanta vestir de manera "high low fashion", lo que significa mezclar piezas caras con piezas de bajo costo. Pero si de vestir de pies a cabeza en alta costura se trata, ¡Chanel siempre gana!

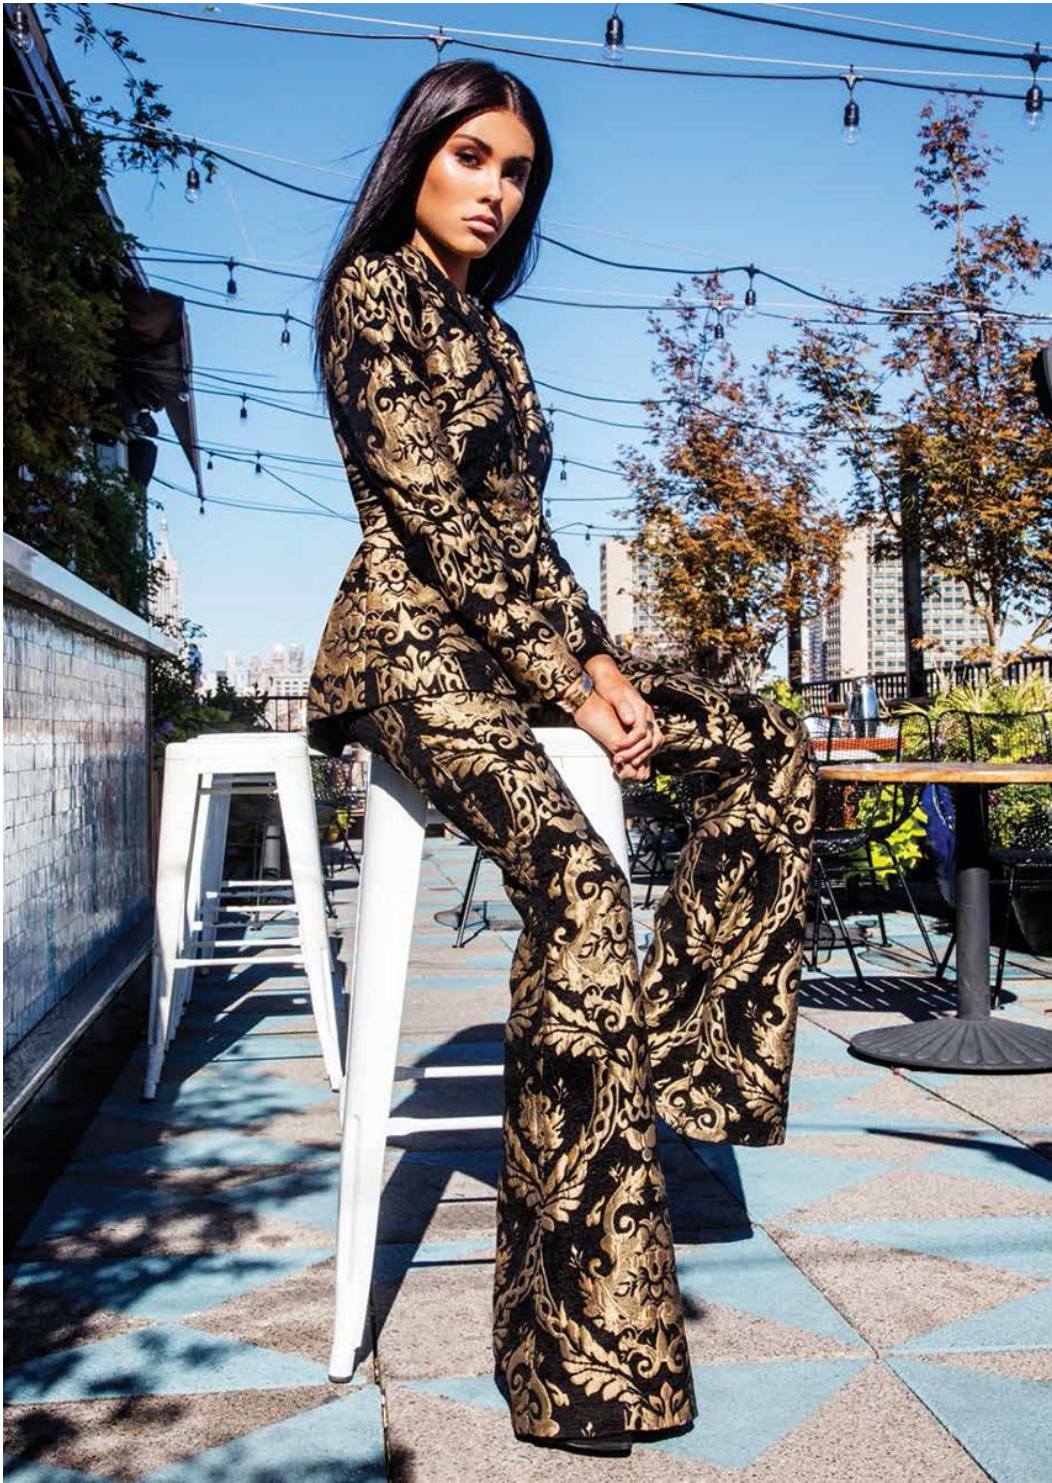

-¿Cómo fue el cambio en tu vida al llegarte la fama?

No me siento famosa, sólo me siento yo misma. Lo único que puedo decir es que tengo la bendición de que se escuche mi voz en un espectro muy amplio.

MADEMOISELLE CHARLOTTE

Charlotte Cardin is gearing up for her album release later this year. The Montrealer, and Chanel ambassador, centres her lyrics on relationships and the emotions they generate, interested in uncovering how we connect and relate to one another.
